**DETAILED ACTION**

***Allowable Subject Matter***

Claims 20, 21 and 25-31 are allowed. Claims 1-19, 22-24 32 and 33 have been canceled by the Applicants. The following is an examiner's statement of reasons for allowance:

The Examiner considered Patent Numbers 5,374,061 by Albrecht and 6,039,650 by Hill to be the prior art most closely related to the Applicant's claimed invention. The Applicant's independent claims 20, 25 and 28 include the limitations of a shuffling apparatus incorporating a display device that indicates the particular suit and rank of a playing card. Although the card apparatus disclosed by said '061 patent incorporates display device 32 that identifies individual cards that have been played (column 6, lines 24 plus), said apparatus deals exclusively with a card dispenser and not a card shuffling device. Similarly, said '650 patent incorporates display 82 into a card dispenser that fails to include a card shuffling apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
